

# LATHAM LASSIES NEWLETTER

November, 2006

The excitement is starting to brew over the Latham Lassies Softball League's 20th anniversary. The league is planning a large celebration to kick off the 20th season of providing a fun informative learning environment for what has grown to over 425 girls from the Latham and surrounding areas. We encourage all our families to stay up to date on league events and plans for the upcoming celebration and season. Including the first, of what we hope to become an annual league fund-raising golf tournament to be scheduled in the spring. If you have any thoughts or ideas for our celebration, or would like to lend a hand by volunteering, please feel free to contact a board member.
